You will absolutely love living in this wonderful 4 bedroom 2 bathroom brick-and-tile familyhome that is as solid as they come and sits only walking distance away the sprawling Hawker Park, the adjacent Hawker Park Primary School and so much more. The hub of the house is a tiled open-plan family and casual-meals area with split-system air-conditioning and a connecting kitchen – double sinks, tiled splashbacks, range hood, gas cooktop, separate oven, microwave nook and all. Doubling personal living options is a huge carpeted separate lounge, theatre or games room that can be whatever you want it to be and has a ceiling fan, whilst the sunken and carpeted formal-dining room – also with a ceiling fan – is totally separate from the other living spaces and finds itself reserved for those special occasions. The obvious pick of the bedrooms is a spacious master suite where split-system air-conditioning, a ceiling fan and a walk-in wardrobe meet a stylish ensuite bathroom with a shower, vanity, toilet, storage and more. The master also sits directly opposite a carpeted study, nursery or home office that can easily be converted into a more prominent walk-in dressing room, if you are that way inclined. A private backyard setting is made up of grass for the kids and pets to run around on, low-maintenance gardens and a fantastic outdoor patio-entertaining area, off the main living space. Convenient contemporary living comes to the fore here, with this exceptional residence also nestled in very close proximity to the freeway, Warwick Train Station, Greenwood Village, The Greenwood Hotel, Warwick Grove Shopping Centre and Warwick Senior High School. Effortless access to community sporting facilities, bus stops and other local parks and reserves is simply an added bonus. Let the good times roll!
