This modern open plan solar passive home, designed by architect Matt Harvey. Internally there is three good sized bedrooms and two bathrooms, with an open plan dining, kitchen and living space. With impressive water views of the Walpole/Nornalup inlets, this property itself sits on a massive 1998m² block at the end of a cul-de-sac and has one of the most sort after addresses in Walpole. The bottom boundary finds you at the Bibbulmun track, which will take you into the town centre of Walpole or to the Walpole Country Club, which has one of the most breath-taking views of any golf course and bowling green in Western Australia. There are too many extras to list, if you are looking for a unique, exclusive home on the South Coast, put this property at the top of your list. Inspection will impress any discerning buyer!
