On the doorstep of a thriving local shopping and café precinct, this rare site will provide an opportunity to create 3 prime blocks (STCA) to accommodate quality new home homes. The resulting sites will compliment both "off the rack" and bespoke home designs which are in strong demand and short supply in the area. With easy access to the river, Fremantle and the city, this sought after precinct is always in high demand from a wide range of buyers looking to take advantage of the wonderful lifestyle facilities close by. > Sprawling 1115 sqm site with R25 zoning and generous frontage > Potential 3 unit site (STCA) > Level site requiring minimal site works > Nestled in the heart of a welcoming, family friendly neighbourhood with easy access to schooling, cafes, restaurants and the Swan River. Please call Todd Grierson on 0417 881 772 for further details.
