The light-filled interiors feature a dining room, an L-shaped living area with room for extra sleeping space, and a 1950s kitchen, which adds charm and character to the home. The property showcases two bedrooms, a bathroom/laundry, a second toilet, a covered outdoor area- perfect for reading your morning paper, four air conditioning units, and a lock-up garage. The coastal area is renowned for its beautiful walks on the beach, along the river, or just focusing on taking time out of your busy life to enjoy the natural surroundings.
