One of a privileged few homes that boast a Keating Street address, this chic Hamptons-inspired residence offers light-splashed family-sized interiors on an easily manageable allotment of premium Bayside land. Presented in as-new condition at only two years young, it comes with the balance of its Norton builder's warranty adding to the appeal. An auto gate roll backs to give access to the stylish property which feature coastal oak flooring through the open plan living and dining zone set beneath a soaring double-height void. Entertainers will appreciate the calibre of the gourmet kitchen finished with shaker cabinets and soft grey stone. Boasting quality appliances, it also offers a walk-in pantry with more luxe stone, while outside the alfresco patio gives a space to relax in the northern sunshine shaded by towering foliage. A downstairs bedroom with fitted wardrobing and semi-ensuite access to an elegant bathroom will prove a popular inclusion. Upstairs - with a landing overlooking the living area providing a handy study nook - three further bedrooms will please families needing space, they include not only a true ensuited room but also another semi-ensuite retreat opening to the stylish family bathroom. With zoned heating/cooling keeping the interiors comfortable, a large laundry and internal access to the auto garage, this sensational home is rounded off by fashionable plantation shutters throughout. Around the corner from Donald McDonald Reserve, metres to the bus and a walk to both Black Rock and Beaumaris' shops and restaurants, the home is zoned for Beaumaris Secondary College and a stroll to stunning beaches.
