The heart of the home is the open plan living, dining, and kitchen area, where warmth and ambiance are provided by a reverse cycle air conditioner and a closed wood heater. This space is perfect for both relaxing and entertaining. The kitchen, recently renovated, features electric cooking appliances, a dishwasher, and a stylish breakfast bar, all designed to make meal preparation a breeze. The single bedroom is large in size, and you will also find room for a study at the end of the hallway. The bathroom has also been tastefully renovated with tiles throughout, adding a touch of elegance. It includes a convenient shower-over-bath setup, ideal for both quick showers and relaxing soaks. Step outside to the expansive deck at the back of the property, where an open fireplace creates a perfect setting for entertaining or peaceful evenings under the stars. Additional practical amenities include a connected carport with an integrated laundry area, ensuring convenience without compromising on space.
