The cabin is attached to our main house but is at the end of the house and feels very private once inside. it comes with its own parking right out front and has its own seperate entrance to front. It is very close to Glenbrook pools and a few mins drive to Glenbrook village or Blaxland shops. Kitchen is basic but there is a large BBQ on the deck, otherwise you can use plug in cook tops. It has a lot of character and we have had it on airbnb for years with a lot of good reviews but are now wanting to get someone in permanently . The laundry is shared and is around the back of the house. We can possibly consider pets depending because we have a few goats on the property that we need to consider.
