Absolutely one of a kind, this remarkable residence is perfect for larger or extended families with its vast and versatile design, quality inclusions and terrific living/entertaining zones – all on 706sqm of land (approx) in a secluded Pavilions cul-de-sac. Beyond the bold facade, you'll find a free-flowing interior filled with natural light comprising an extra-large master bedroom with WIR and its own private ensuite, along with four additional bedrooms, home office/6BR and two further bathrooms. Enhancing its family appeal is the inclusion of a formal lounge and adjoining dining room, retreat (upstairs) and expansive open-plan living/meals area adjoined by a granite-bench kitchen with large walk-in pantry, Asko dishwasher and new cooking appliances. Other stand-out features include ducted heating and evaporative cooling, open fireplace (living area), high ceilings, ducted vacuum and large laundry, along with excellent storage options throughout the home. Completing the picture is an enormous enclosed alfresco area ideal for all-seasons entertaining, plus backyard with established fruit trees, large front patio and the unique advantage of an oversized lower-level double garage. Walking distance to local parks and choice of bus routes (Keilor Park Drive and Milleara Road), it also offers easy access to popular schools, Centreway cafes and Milleara Shopping Centre, as well as the Calder Freeway and Western Ring Road.
