Nestled on a generous 674sqm parcel of land, this charming brick family home offers an inviting haven for comfortable living. Boasting five spacious bedrooms, this residence is perfectly suited for a growing family or those who love to entertain guests. The home's clever design includes multiple living areas, providing ample space for relaxation, socialising and recreation with living area with a slow combustion fire and heat transfer system and a split system air conditioner. The property being located only moments from the amenities of Hill Top and a short drive to the highway, this home has it all! The large double door entry of this impressive home sets the stage for a welcoming and spacious interior. Downstairs, a generously sized rumpus room awaits, seamlessly transitioning into a sunny undercover entertaining area. For those seeking a home office or quiet study space, you will find on this level alongside two well-sized bedrooms. The inclusion of a full bathroom on the ground floor ensures that guests or family members have easy access, while the oversized laundry with external access adds an extra layer of practicality. The master retreat of this exceptional home is a true sanctuary, offering an oversized space that caters to both comfort and functionality. With built-in robes providing ample storage, a dedicated study nook and a private ensuite, this master suite is a haven within the home. Additionally, there are two additional well-sized bedrooms on the same floor, each thoughtfully equipped with built-in wardrobes. The convenience of a main bathroom upstairs, complete with bath, shower, vanity and separate toilet adds to the overall appeal of this family friendly layout. With a desirable north-facing orientation, the backyard becomes a sunlit oasis, perfect for outdoor activities. Here you will also find a garden shed for your gardening tools and extra storage. There is also a new 5.5kw (approx.) solar system.
