Do you want more than just to smell the sea air, but to watch the boats bobbing on the water too? Many dream of the beautiful blue water views, but few make it a reality. Now is your chance. Exclusive agents Jan Goetze and Michelle West are excited to bring this stunning Victoria Point family home to market, boasting beautiful views, a spacious residence, and a lifestyle without equal. Welcome to 14 Lookout Court. As the name suggests, this large four-bedroom property savours an elevated position on a generous 761sqm block. Punctuated by the triple remote garage plus large covered area for boat or caravan also behind locked gates, and fantastic entertainers deck on the upper floor, this home welcomes you in true style. The lower floor offers three spacious bedrooms, a contemporary family bathroom and a laundry. The three-car garage leads to a massive workshop space, ideal for the hobbyist or motorhead to store all their tools and toys. The tranquil courtyard wraps around the front of the residence, where the manicured gardens can be enjoyed. As you head upstairs, the palatial open-plan living space will take your breath away, not only from the raked ceilings that provide so much natural light and airflow but also as you look out onto the verandah and take the magnificent view in all its glory - it is a majestic sight that you will get to enjoy every day. The verandah is a wonderful entertaining space, accessible from both living and dining zones, with more than enough space to relax and enjoy great company and even better views. The beautiful hardwood floors inside provide warmth and style and flow through to the fabulous kitchen. Stainless steel appliances and ample storage space will delight your inner chef, while the double-wide fridge space and large pantry will keep your hungry family at bay. The master suite is also tucked away on this level. It enjoys a walk-in robe and bathroom and lends itself to creating a dual living arrangement with bedrooms and bathrooms on both floors. With 10,000L water tanks, additional boat/van storage, room for a pool and low-maintenance gardens, this is a fantastic home to enjoy the waterside lifestyle that Victoria Point offers.
