It's really hard to beat the iconic views from this spacious, split level home. With vast expanses of glass taking full advantage of the spectacular vista, you're fully immersed in the grandeur of the coastline, right down to Long Reef. It's a great design for a growing family with open plan living and a huge deck on the upper floor, with bedrooms on the two levels below; out the back are lush green lawns for the kids, an expansive, in-ground pool and plenty of terrace space for entertaining. It's a blue-ribbon location in one of the Plateau's most family-friendly pockets, with panoramic views to match. - Ease of a split-level, open plan design – ideal for a growing family- French doors and floor-to-ceiling glass frame the ocean views- Expansive entertaining deck runs the full length of the main floor- Fully-fenced backyard, level lawns and a sparkling, sunlit pool- Contemporary CaesarStone kitchen features loads of storage space- Master ensuite, all bedrooms but one include built-in wardrobes- Good scope to further capitalise on a prized Plateau setting- 10 minute walk for the kids to Bilgola Primary and local shopsDisclaimer: Whilst all care has been taken to ensure accuracy in the preparation of the particulars herein, no warranty can be given, and interested parties must rely on their own enquiries.
