Step inside this modern, quality Plantation built home, that is both durable and stylish. With wide entry and expansive open plan living, you won't be short on space to spread your wings as your family grows in to the future. The first of four bedrooms, the Master, is grand in size and has an impressive ensuite and walk in robe. It is light filled as are the three other generous bedrooms all with built in robes and fans, all located separately from the master. A 2nd lounge/media room at the front of the home could easily suit a 5th bedroom conversion for larger families or it could just be that separation you may need to relax and unwind. You won't miss the Kitchen in the heart of the home, with gorgeous stone bench tops, a ton of storage, huge pantry and modern appliances. Entertaining will be a treat and an outlook to both covered verandahs and the lush bushland at the rear, add to the serenity. Complete with a double garage with work bench, separate laundry, water tank to service the toilets and low maintenance gardens, more boxes are being ticked off your list.
