This 996sq.m block is perfectly positioned for schools, shops, medical facilities and parks - and perfectly presented with 3 bedrooms (master with ensuite) and a rumpus which could double as a 4th/teenager's pad - a super kitchen with stone benchtops and two other indoor living areas. Outdoors, there is a wonderful inground pool with a cover and paved surrounds, a grassy area for a trampoline or your dog, a massive under cover entertainment area, a firepit with seating for chilly starlit winter nights, and a huge plus is a security gate, a double garage, off street parking for up to 8 (yes 8) cars PLUS room for a motor home, caravan, or a boat. Then there is 6Kw solar power and 5 air conditioners... Could you possibly expect more?
