Don't miss this opportunity to own this neat and tidy 2 bedroom home that is new on the market. The kitchen features an electric cook-top and oven, and the living areas are tiled for easy cleaning. Enjoy the comfort of gas heating and split system air conditioning throughout the year. The bathroom has a shower and vanity, and both bedrooms have built-in wardrobes. The home also has an extension to the back of the house with a sliding door that leads to the large backyard. There, you can relax under the shade sail, store your tools in the garden shed, or use the rainwater tank for watering the fruit trees and the established garden. The property is fully fenced for privacy and security, and has a concreted single parking area. This home is perfect for first-time buyers, downsizers, or investors looking for a low-maintenance property in a convenient location.
