This contemporary home boasts the perfect fusion of style and functionality, thoughtfully planned and meticulously designed. Step through the front door to open-plan living and dining areas, natural light floods through the large windows, creating a warm and welcoming atmosphere throughout. The stylish kitchen is equipped with state-of-the-art appliances and ample storage. The master bedroom is a sanctuary with its own ensuite. The additional three bedrooms are versatile, perfect for family members, guests, or even a home office. Ducted, climate control Air-Conditioning throughout the entire property. Fully fenced backyard with cubby house, fruit trees and veggie boxes. Beautiful pool with covered patio great for those summer afternoons.
