Built in 1993 this craftsman built 4 bedroom home is in excellent condition & will suit a wide range of buyers looking for room to move both inside & out. The home features a full wrap around veranda, ensuite & WIR to master bedroom, spacious lounge area, dining area, meals-family area, lovely big kitchen with W.I. pantry, dishwasher & new oven & hot plate, main bathroom & an extra large laundry complete the internal living spaces along with ducted gas heating, combustion wood heater, ducted evaporative cooling, overhead fans & ducted vacuum system to ensure comfortable carefree living at all times. Externally is just as impressive with a beautiful low maintenance garden framed by a number of large fully established trees, huge high clearance 12.5m x 9.5m shed with concrete floor & power connected-ideal for caravan & boat storage etc, 4.5 kilowatt solar system to keep the power bill to a minimum, expansive outdoor undercover living, fully fenced & secure back yard area-ideal for small kids & pets, double carport under roofline & huge outdoor area that could be used for storage, to keep a pony or 2 the choice is yours! Quality properties on big blocks like this are highly sought after in today's market so book your inspection now before it is too late! For all details & to book your inspection contact Mick Kelly 0418-591936 today
