These homes in Smithton's newest subdivision represent excellent value. Brick and tile, constructed in 2013 they represent excellent tax depreciation benefits to the astute investor. Consisting of four bedrooms (main with ensuite and walk in robe) the others all having built ins. An under cover alfresco dining area extends from the open plan living area. There is a double garage with an electric tilt door and off-street parking along with backyard access. We have excellent long-term tenants in place that would love to stay longer.
