OPEN HOME CANCELLED

Nestled in a well sought after neighbourhood, this classic miners style cottage promises a perfect entry point or investment – without breaking the piggy bank! 14 Onus is quantifiably move-in ready, with plenty of scope for future improvements, while a fair bit of the hard work has already been seen to. Internally the home promotes three bedrooms, an updated kitchen and a tidy shower bathroom. Location-wise it's exceptionally handy, just minutes from Telarah Public School, a few short blocks from Telarah Bowling Club and an IGA supermarket, and 2km from Telarah Station. A huge added bonus is the side access via the lane, to the blank canvas backyard – that's primed & ready for value additions – such as a garage, carport or deck off the back of the house. Whether you're seeking an affordable investment option, or a comfortable First place to call home, this property delivers on both fronts. It's an ideal choice for first-time homebuyers looking to establish their roots in a cracking area, or savvy investors seeking a promising opportunity in a growth area. Don't miss the chance to make this charming home your own!
