Elegantly captivating from every angle, this beautifully renovated 3-bedroom home is a beachside masterpiece of modest sophistication, where the balance of raw and refined mediums creates a warm feel of subdued luxury and composure. Retained classicism feels at one with its refreshed coastal colour palette, with white-washed original floors spurring a warming quality throughout its brightened layout. Open living and dining areas engage an ingenious aesthetic that showcases high-quality finishes in the most unnoticeable ways, encircling a pristine white kitchen with stainless steel appliances and waterfall benchtops flowing out to a relaxed covered deck. Entertain or relax in sunbathed simplicity, overlooking an easy-care yard as you enjoy the built-in outdoor BBQ area. Three bedrooms include ceiling fans, a fireside main bedroom with a walk-behind wardrobe and a hidden ensuite, supplemented by a modern, central bathroom with large-format floor-to-ceiling tiles, a toilet, and a shower-over-bath. A short walk from Seaford Primary, village shopping, and the stunning Seaford foreshore, its supporting features include a fitted laundry, three split-system air conditioning systems, ducted heating, a refurbished roof, an outdoor shower, and secure off-street parking.
