Central, convenient Cannonvale location. It is perfectly established for backyard BBQs and entertaining, with the living area opening out to a large undercover deck, set up overlooking the refreshing pool. The generous yard area is completely fenced for a young family. The very modern and near-new home is beautifully finished with a number of tasteful features throughout. The master bedroom has a walk-through robe and ensuite, with two further bedrooms that all feature air-conditioning, as well as A/C in the main living area. The kitchen is modern with gas cooktop, dishwasher, and island bench which opens to the living area. There is a separate laundry and 1 lock-up garage.
