An absolute credit to its current owners, this immaculate custom designed Derrimut residence of approx. 30 squares on 562sqm land presents in pristine condition. Lovingly cared for and maintained the home comprises a superb kitchen with waterfall stone benches which are beautifully complimented by a glass splashback, quality appliances including pyrolytic oven and massive walk in pantry and overlooks the dining and main living area. Sliding doors integrate the interior with outside where you will find a huge alfresco, BBQ area and lovely manicured rear gardens. A formal lounge or theatre room and study / home office complete the vast living and entertaining spaces this wonderful design offers. Sleeping quarters are highlighted by a luxurious master bedroom with enormous fitted WIR and ensuite featuring twin vanities and an oversize shower with three (3) additional bedrooms with fitted BIR's serviced by another high quality central bathroom. A host of additional extras include a huge laundry with overhead cupboards, high ceilings, contemporary flooring, zoned ducted heating, evaporative cooling, remote roller shutters, solar panel system, downlights, crimsafe security doors, block out blinds, custom doors, skylights, an abundance of storage options, double remote garage with internal access and bonus rear roller door, double driveway and so much more. Inspection highly recommended to appreciate exactly what is on offer. A special home awaits one lucky family.
