Introducing a spectacular holiday retreat at 14 Pilot Street, Bulwer, QLD, 4025, your very own slice of paradise on the idyllic Moreton Island. This spacious 4-bedroom, 2-bathroom home provides the perfect setting for unforgettable family getaways, offering a sanctuary of relaxation and tranquillity amidst one of Queensland's most sought-after holiday destinations. This delightful property sits on a sprawling 802 square metre block, providing ample space for children and pets to explore, whilst ensuring maximum privacy and seclusion for its residents. Stepping inside the home, the generous floor plan exudes warmth and charm, with light-filled living areas and a well-appointed kitchen, complete with modern appliances. In addition to the home's stylish and functional living spaces, you'll be truly captivated by the outdoor amenities on offer. The property boasts a 30,000L water tank, ensuring a reliable supply of fresh water all year round, while the off grid solar system with 7kva backup generator offers complete peace of mind during your island escape. This beautiful island abode offers a unique opportunity for all buyers, whether you're searching for the ultimate holiday home or an astute investment property. With plenty of parking available, including space for a boat, you and your guests will never be short of options for exploring the incredible Moreton Island and its surrounds. So, if you've been dreaming of an island escape that blends the best of modern convenience with the serenity and beauty of nature, look no further than 14 Pilot Street, Bulwer. Contact our agents today to arrange a private inspection and discover the magic of this remarkable island home.
