## **Infrastructure Galore In Premier Location**

This property has been a family's hidden sanctuary for many decades surrounded by private gardens and set on a 967m2 block.

Located in a premier lakeside position right on the fringe of the Mittagong CBD with cafes, shops, lake alexander and schools just a stones throw away.

The original home dates back to the late 1800's and still retains original features such as ornate cornice, high ceilings and little hidden nooks and crannies everywhere.

The main residence has living/dining area with wood fire large kitchen and bathroom.

Three bedrooms downstairs and 4th loft bedroom with amazing views

Main Bathroom and older style laundry with second toilet and shower.

Amazing spacious studio complete with kitchenette, bathroom and loft bedroom . There is also a second basic studio/workshop.

The property has solar panels and back up battery.

If you're looking for a property that has enormous potential not just as a home but possible income from airbnb or work from home space and have the energy to restore to its former glory you should book your private inspection.
