Pampering the family with style, space and lifestyle ease, this sophisticated home on a landscaped, alfresco-focused 722sqm allotment (approx.) delivers a premium family lifestyle in the highly sought Bellevue Estate. A main bedroom with a walk-in robe, an ensuite offering dual basins, an oversized shower with rain head, and three bedrooms sharing a spotless family bathroom delivers plenty of accommodation options. Showcasing quality finishes, the kitchen is ideal for family life. Boasting stone benchtops, including the vast breakfast island, stainless steel appliances (dual ovens), a glass splashback and a plumbed fridge cavity anchor the expansive living meals. Complemented by a large lounge and a rumpus, it makes a seamless connection to a rear yard with a focus on entertaining. Complementing a tiled alfresco zone, under the roof line and ready for year-round enjoyment, you'll discover a lush lawn and a custom-built BBQ house. Constructed around built-in BBQs with a bar area and overlooking a paved area with seating, it will impress the most demanding of outdoor chefs! Additional features include ducted heating and cooling, a water tank, a watering system, a remote double garage with internal access and fabulous fitted storage, a gated double carport, and a laundry with storage. An easy walk to Middle Gorge Station, parks, playgrounds, the convenience store and local shops and cafes, it is just a few minutes from South Morang Station and Westfield Plenty Valley for shopping, dining and a movie.
