Terrific value is on offer here at 14 Pumicestone Street. The property is positioned in a great spot within the Harmony estate and features a timeless, elegant colour scheme throughout. Internally the property features a well-appointed kitchen with quality appliances. The master suite is set at the front of the property providing ample separation from the remaining three bedrooms. The living and dining areas are open plan and look out on to the concreted outdoor area. This space is under cover, protected from the elements and perfect for year round use. Air conditioning features throughout the home to take the edge off the warm summer months. Harmony is a master planned community with schools, cafes and two schools within the estate. The estate borders Sippy Downs, a designated 'Knowledge Hub' in the Queensland Government's Infrastructure Plan. Today USC (University of the Sunshine Coast) is home to over 20,000 students. The infrastructure doesn't stop at the University, insurance broker YOUI have recently spent \$48.5million on their new national headquarters just minutes from Pumicestone Street. Additional features include: - Functional floorplan with timeless colour scheme- Recently completed, constructed by Pantha Homes- Air conditioning- 20mm stone benchtops in kitchen- Less than 1 hour to the 2032 Olympic City (Brisbane) with future direct link up to the Bruce Highway- 15 minutes from Maroochydore & Mooloolaba. 20 minutes from the Sunshine Coast Airport Contact Indiana on 0404 155 581 or Justin 0400 822 069 for more information.
