Located in a quiet court, 14 Richardson Street has been fully renovated and boasts style, space and sophistication. Downstairs offers 3 generously sized bedrooms (2 with built-ins), office space and a stylish centrally located bathroom. The open plan kitchen dining and living are just stunning and a great place for family to come together, offering whitewashed timber floors, stone bench tops, breakfast bar, quality appliances throughout and a large walk-in pantry with plenty of storage options - perfect for the home chef. On making your way upstairs, you're sure to be impressed by the private sun-filled parents retreat, master bedroom with his & hers walk-in robes and ensuite. This really is a great space to get away from it all, sit back with a book and relax, watch TV or simply take in the ocean views on offer. The surprises don't stop there! As you make your way out to the rear of the property, you're presented with an entertaining area which has been really well thought out and is sure to impress. A large undercover deck is the perfect place for entertaining friends and family all year round - it offers space, privacy and captures the afternoon sun. But there's more! Elevated just behind the deck is a fire pot area, sheltered from the wind and offering built-in seating and ocean views - a perfect place to sit back by the fire and relax. The backyard is fully fenced and secure for children and pets alike. Simply - there is nothing to do but move in and make it yours! Additional features to the property include: * Updated switchboard * 315lt heat pump hot water system * Daikin heat pump * Underfloor insulation * Large single carport * Pop up irrigation system * Secure brick shed in the backyard for storage
