This delightful 1970's high-set brick home with internal stairs features three bedrooms upstairs, with a rumpus and second bathroom downstairs. The property offers a large living area opening onto the front balcony, a separate dining area, and updated kitchen. If renovating or refurbishment is on your mind, this can be done over time if needed. Whether you choose to embrace the home's retro charm or transform your new home into a modern style, the many opportunities are ready for your creative touch. Situated on a 608sqm block, there is ample space to enjoy and create your own outdoor area. Whether it be a shed, man cave, entertainment area, landscaped retreat, or other outdoor space you desire, this property may be the one to deliver it for you. Conveniently located within walking distance to schools, shops, and the train station, the location is ideal. Ferny Grove is known for its community spirit, lush greenery, and family-friendly atmosphere. The much anticipated Ferny Grove Central development which is currently underway, will transform the area's amenities, providing a modern hub for shopping, dining, and recreation.
