Tucked away in a highly sought after pocket of residential homes approximately 200m from the Torquay Esplanade, which boasts some of Hervey Bay's best beaches, parks, markets, shops & cafes, this quaint home is not to be missed. With beautifully maintained gardens surrounding the home, you get to be right in the middle of town while feeling like you are on a tropical holiday! This home is an ideal air bnb / holiday home and can be a great income producer. On a 506m² block in one of the quietest streets in the Torquay area this home can be seen to be deceptively small from the outside, but once inside it reveals a spacious, flowing layout with the open plan kitchen and living being the heart of the home. The home also offers four spacious bedrooms, three with built in wardrobes and ceiling fans while all rooms include air conditioning. The bathroom has both a bath and shower, it also offers a three bay carport along with a single garage, giving plenty of room for parking.
