Step into this remarkable family home that has undergone a complete makeover, evolving from a tired appearance to a stunning masterpiece. Every aspect of this property has been revitalized, from reblocking to rewiring, re-plumbing to re-roofing. Boasting a fully refurbished interior, this residence offers an impressive array of features. Discover 4 spacious bedrooms, each equipped with built-in robes, providing ample storage for the entire family. With 3 inviting living spaces, 2 modern bathrooms, and 3 convenient toilets, comfort and functionality are at the forefront of this home's design. Experience the perfect blend of indoor and outdoor living with an inviting deck, seamlessly connecting to the carport, which can also serve as an ideal entertainment area. Step into the front garden, where you'll be captivated by the enchanting mid-century Palm Springs ambiance. White pebble garden beds house low-maintenance Yuccas and Agave, along with other succulents, creating a visually stunning landscape. Be welcomed by a grand 1.2-meter wide front door, inviting you to explore the wonders beyond its funky exterior. As you enter, the main bedroom awaits, complete with an open fireplace, creating a cozy and inviting atmosphere. The fully tiled ensuite is a luxurious retreat, featuring a full-size bathtub, twin vanity basins, a separate shower, and a toilet. Adjacent to this oasis is a spacious walk-in robe, accompanied by ample hanging space, shelving, and drawers. Venture down the hallway to discover three more well-appointed bedrooms, all thoughtfully designed to offer comfort and privacy. The floor-to-ceiling tiled family bathroom, complete with a toilet, serves as a sanctuary for relaxation. The family-sized laundry and separate powder room ensure utmost convenience for the entire household. Prepare culinary delights in the expansive kitchen, a foodie's dream come true. Equipped with a dual fuel 900cm Blanco cooker, a Gaggenau range hood, a Bosch dishwasher, and a magnificent 2.3-meter timber island bench, this kitchen is a haven for cooking enthusiasts and gourmet gatherings. Generous windows invite an abundance of sunshine, illuminating every corner of this marvelous home. The fourth bedroom or study is bathed in natural light, thanks to a skylight that enhances its airy and vibrant atmosphere.
