\$730,000

This near new home has all the bells and whistles and is a pleasure to present to the market! Located on an easy care 510 sqm block close to Treendale's shopping precinct. The large open plan living opens up to a beautiful outdoor entertaining area with built in cabinetry with BBQ and remote roller shade screens. There's a separate theatre for those movie nights as well. The sensational kitchen is beyond compare, with 3 distinct areas to work in. There is main kitchen with stone bench tops, 900 mm cooking appliances, plumbing for the fridge and single sink, a massive walk-through pantry, plus a scullery with double sink and dishwasher. The master bedroom suite has a large walk in robe and ensuite with double shower and the 2 minor bedrooms are queen size with robes. The home has reverse cycle ducted air conditioning throughout and ceiling fans in the bedrooms. Got a caravan or boat? No worries with parking at the side of the home and even behind secure gates at the side.
