Love the location - opposite a park in a quiet and highly sought after position of Keilor East. Explore the potential offered by this three bedroom, two bathroom home set on a substantial 616sqm (approximately) block of land. Primed for a fresh start, the property presents excellent scope for astute homebuyers and developers after a multi-unit development or brand new, family home project (subject to council approval). The property offers dual living zones, home office and large open plan kitchen, meals opening onto a covered deck. Complemented by ensuite main, WIR/BIRs, central bathroom, heating/cooling, oversized r/c garage and ample off street parking. Ticking every box for families in regard to location and lifestyle, the property enjoys proximity to Centroway and Dinah Parade shops, cafés, buses, shopping centres, freeways and excellent schools. Including Penleigh and Essendon Grammar School, St Bernard's College and Ave Maria College, while zoning for Essendon Keilor College and Keilor Heights Primary adds further appeal.
