A boutique community, Lakeside Colac offers you an opportunity to build your dream home next to the picturesque Lake Colac. We're proudly part of the ABN Group, Australia's leading construction, property and finance company, and owned by partners Aidan Hooper and Dale Alcock. The ABN Group was established in 1978. Since then, with a family of 22 companies across Victoria and Western Australia, we're still true to our philosophy of building every home as if it's our own. We've built more than 88,000 homes and we've steadfastly maintained our attention to quality. So, although you may be building your first home, we have built many. And with every home we build, we only get better. The kitchen is the social heart of this home, opening on to light-filled living and dining areas, and an inviting outdoor entertaining space. The open-plan design includes a generous kitchen with large island bench and walk-in pantry. Offering a spacious retreat, the master bedroom features a walk-in robe and ensuite, while three additional bedrooms with built-in robes provide easy access to the main bathroom. At the front of the house, flexible living spaces include a home office and a secluded sitting room, perfect for a library or home theatre. Your new home will come standard with quality inclusions, industry leading guarantees/warranties and brand names that you can trust:
