If you're looking for a neat 4 bedroom family home close to town and only minutes from the Bendigo Hospital then look no further. The home includes built in robes to all bedrooms, walk in robe and ensuite to main, spacious formal lounge, open plan kitchen/meals/living and a 3 piece family bathroom. The kitchen includes stainless steel appliances, dishwasher, excellent cupboard space and large central island. Other features include ducted heating and cooling throughout, double garage with remote doors and handy internal access to the home. A rare feature these days is the double gate side access allowing room for caravan or boat storage or maybe consider a second shed (STCA). From the kitchen/meals area there is sliding door access to the yard, ideal for an entertaining area if desired; and the home enjoys a good size rear yard. The street/estate itself is well kept and lined with beautiful deciduous trees full of colour this time of year. As mentioned the home is only minutes from Bendigo Hospital and close proximity to the city centre making this property an ideal residence or investment. For the investor the home is already leased to excellent tenants. Why go through the hassle of building when you can buy established and enjoy from day one.
