Showcasing excellent presentation throughout along with an attractive weatherboard façade and bull nose verandah, this beautifully renovated cottage is ideal for a young first home buyer or retiree. The home offers 2 bedrooms with built-in robes, formal lounge room with timber floors, a modern bathroom with double vanity, free standing bath, and feature electric log fire, a modern Caesarstone kitchen with island bench, and a living/dining room. There is also a handy second toilet in the laundry. There is a covered front porch and rear deck that enjoy morning and afternoon sun, and the easy care yard is level and low maintenance. A quality home in a quiet position in Hermitage Flat.
