There are very few places where you can enjoy views like this and be walking distance to town. This gorgeous 870sqm block is elevated and level, making building easy and the views uncompromised. The block is large enough to strata title and develop into dual occupancy if desired, or just use the fantastic, level and sun-filled land for self-sufficiency, with plenty of room for gardens, chooks and sheds. Situated in the Nimbin Eco Village the block is connected to all town services: Water, sewer, power and phone saving you \$\$ and time. You can't go wrong with this beautiful block. Build to live there or build as an investment. Nimbin desperately needs rental properties. Nimbin is a wonderfully colourful town. Surrounded by extreme natural beauty and with a strong community ethos, it is great place to raise your family and to call "home". Call Jacqui on 0439 15 6666 to arrange an inspection
