Join the lucky few who call the coastal enclave of Manyana home. Walk to Inyadda Beach or Manyana Beach for an early morning swim or surf. This two storey home, has been held by the one family for many decades and would be suited to continue as a holiday house or a permanent residence. On the upper floor you can relax in the lounge area that opens up onto the deck and enjoy spectacular sunsets. The kitchen and dining room allow interaction whilst you are cooking up a storm. There are two bedrooms on this floor with built ins and a bathroom with bathtub and shower. On the lower floor is a formal entry, another bedroom and bathroom/ laundry. The outdoor undercover area would be great to entertain the extended family. Two garages one of which would be ideal as a studio or workshop. To arrange a private inspection please contact our office on 02 4456 1500.
