Here is your opportunity to have the best of both worlds - you can have space around you with the town at your doorstep. It is big enough to establish your dream home and still have room for a pony or alpaca, chooks, vege patch + more. Or why not all of them! There is a little old shed at the rear of the property but it is a lovely flat block and a relatively blank canvas for you to paint your own life picture. Power and water is available but why wouldn't you choose to live off grid and save your hard earned money!
