This home is perfect for anyone looking to expand their family or just in need of more space. The property has a big lounge room that is light and airy with big windows letting in lots of natural light. There are three bedrooms all with built-ins, the bathroom has been nicely updated with a separate toilet plus a second toilet in the laundry. The home is well equipped for climate control with ducted gas heating, a wood-fire, ceiling fans in the bedrooms and electric shutters. The kitchen has fresh white cabinetry and stainless-steel appliances and there is a great sized dining area as well. A real bonus of this home is the additional living, dining, work or play space in the adjoining rumpus room overlooking the terraced backyard big enough for kids. The covered alfresco area is perfect for Summer BBQ's and there is a big carport at the front that will easily accommodate two vehicles. Pets on Application.
