REDUCED TO SELL FAST!! Zonal Living at it's best...this home has been cleverly designed and constructed keeping the family in mind by ensuring everyone has their own space but still feeling open and spacious with all areas flowing together harmoniously. Hidden from view on a street level due to the extensive front garden you are surprised by the amount of space that this home offers on a compact low maintenance block. The oversized master bedroom is located at the front of the home and features a his and hers robe along with a private ensuite. The remainder of the bedrooms are located on the other side of the home with the bathroom conveniently located in between. These rooms are large enough to cater for queen-sized beds with the robes and the bathroom situated to keep noise to a minimum. At the heart of the home you will find a well appointed kitchen complete with walk in Pantry and a pop of colour in the glass splash back which accentuates the colours in the stone benchtop. The large dining room is framed by the rumpus/play room to one side and a media room to the other which has the ability to be closed off with double sliding doors for those afternoons when a movie is on the cards or keep the doors open to have the sense of space. A rear patio makes entertaining a breeze with a fully fenced private yard to ensuring the ideal place for your fur babies. The owner is motivated to sell and open to all reasonable offers so contact us today for the rare opportunity on 8932 7777.
