This is your chance to enjoy low-maintenance living without having to sacrifice contemporary comfort, style or convenience. With flawless finishes throughout and a spacious 2-storey floorplan that will suit a wide variety of buyers, this is a beautiful brand new townhouse that you will be proud to call your own. Friends and family can all come together in the open-plan kitchen, dining and living zone with split system air-conditioning and direct access to the sun-soaked entertainer's deck. A walk-in kitchen pantry, quality appliances and a centre island are ready and waiting for the avid foodie while the free-flowing design is ideal for hosting guests. There are four bedrooms and 2.5 bathrooms including your ground-level master suite with split system air-conditioning, a walk-in robe and an ensuite. Upstairs, the open and versatile retreat would make the ideal rumpus, office area or kids' playroom alongside the three secondary bedrooms. All the upstairs bedrooms benefit from built-in robes and there's a well-equipped main bathroom with a separate bath and shower. The extensive list of extra features is guaranteed to delight with a ground-floor powder room, an entry foyer, a single garage, a fully fenced backyard and so much more. All this is nestled within the family-friendly King William Rise community in a convenient enclave of Wallan.
