Welcome to your dream home in the heart of the Sunshine Coast. Just one street back from the stunning lakes, with access to walking paths ideal for the kids to explore, and all the local amenities this area has to offer. This really is one of the best locations on the Coast to live combining natural beauty with modern-day convenience and easy access to everything. This immaculate property needs to be seen to truly appreciate the space and quality of the finish. Its move-in-ready status means no renovations are required, just unpack and settle into your new lifestyle. Step through the front door and be instantly captivated by the natural light-filled home with a soaring ceiling and Velux skylight in the main kitchen/living area, thoughtfully designed to exude both comfort and style. The grand kitchen is a chef's delight, featuring high-end appliances, ample counter space, and an open layout that flows to the backyard. Whether you're hosting a dinner party or enjoying a casual meal with family, this kitchen is sure to inspire unforgettable moments. With a total of 5 bedrooms and multiple living areas, the home offers the perfect layout and separation, there's even an opportunity for a self-contained dual-living layout. Each room is meticulously appointed with plush carpeting and ample closet space. With no need for renovations, you can rest easy knowing that every corner of your new home is ready to accommodate your lifestyle with ease. This home is fully fenced with wide side access to the low maintenance and levelled back yard with plenty of room to kick a ball. Soak up the sunshine in peace and privacy on the beach chair or jump into your new heated in-ground pool that you can enjoy all seasons. Conveniently located on a quiet Cul-de-sac street, near parks, schools and shops, this home offers easy access to everything you need for modern living. Whether you're running errands, exploring the vibrant community, or simply enjoying a leisurely stroll, everything you could possibly desire is just moments away.
