This is fantastic opportunity to purchase three brand new villas. All privately positioned overlooking a small private lake. The villas are all very spacious and fitted out with quality fixtures and fittings. Each villa has large open plan designs with large bedrooms and bathrooms. Positioned on a picturesque and peaceful 1.2 ha property in Bonville. (located approx 15 mins south of Coffs Harbour) The complex is secure via a coded gate and has a tarred driveway and undercover car spaces for each villa. This opportunity would suit someone wanting the perfect Airbnb or short term holiday accommodations. The area has massive rental demand and has a shortage of all accommodation types. This property has low cost and easy care onsite septic and solar, providing very low costs to run the complex. The property also allows the construction of an additional dwelling / managers residence if required. Don't delay as properties of this configuration and location are very scarce.
