The transformation of this stylish beach house reveals bright and breezy open living spaces and a fresh coastal vibe to deliver a perfect environment for relaxed living over two self-contained levels. The flexible design can readily adapt to the changing needs of families with two bedrooms on the lower level and three upstairs which perfectly accommodate multigenerational living. Each level opens to covered outdoor entertaining spaces and a deep child-friendly garden, which is perfect for relaxing, playing or basking in sea breezes. It is located within a level walk to Narrabeen Lake, North Narrabeen Beach, bicycle tracks, as well as close proximity to a great selection of schools, day-care facilities and Warriewood Square shops.- Light-filled open plan living and dining spaces on each level - Smart stone finished kitchens with stainless steel gas appliances - Two lower-level bedrooms one has ensuite, three rest on the upper level - Modern bathrooms, functional laundry, air conditioning, ample storage - Each level opens to a full width covered balcony which promotes relaxation - Secure level lawn and tropical gardens; perfect for playing in the sunshine - Double garage plus additional driveway parking for an extra two cars - Perfect for blended families, option to function as one large home
