What a great opportunity. Stay in the shed and build on 2nd block. Shed has been designed for 2 bedrooms, a kitchen, open plan dining and lounge, separate laundry, and is tiled throughout. A covered carport that doubles as a patio area. This is a very neat set up with room to grow. Power, tank water, and fenced. The 2 blocks, total 1598m<sup>2</sup> (905 + 693). The shed is approved, but not yet as a permanent dwelling. Value for money, call to inspect. 0412 283 544
