Area: 1 m2

Type: Residential Land

\$1,001

Opportunity knocks to own the final piece of vacant land of this size on this stretch of the ever-popular Murray Bridge East side. Acreage over here, approximately 4 acres, just don't come up any more and here is the chance to build your dream home on a large patch, with partial river views as well as the rolling hills around, with no concerns of your limits due to land size restrictions. Water connected and SA Water at hand, electricity connected and all you need now are the plans for that home you've been dreaming of. Far enough out of town to experience the peace and quiet this part of town promises, within walking distance to popular river reserve of Avoca Dell which has boat launching facilities, it will become your own piece of paradise. Don't regret not grabbing this one, it is a lifestyle choice after all.
