Fantastic opportunity to build your dream home in beautiful Edith. Just 30 minutes from town, a stroll to the school bus stop, this property is just over 20 acres of bushland and ready for you to build on! There is plenty of room to build sheds and set up accommodation for your contracting business. Enjoy the most spectacular sunrises and sunsets, and have all the benefits of town being close enough without being too close. There is nothing like waking up to the sound of brolga's and kookaburras.
