Enjoy a peaceful rural lifestyle in a very comfortable brick veneer home comprising a generous lounge with solid fuel heating, reverse cycle air-conditioning and cathedral ceilings, bright and modern kitchen with a 900mm stainless steel cooker, range hood, two drawer dishwasher, breakfast bar and a handy walk-in pantry. There is a separate entrance hall leading to a large tiled family room or formal dining area. Three bedrooms - all with robes and the main bedroom has a walk-in robe and separate ensuite. The family bathroom has a separate shower recess and a full bath. Every window has a pleasant bushland outlook. Full length front veranda, paved pergola and BBQ area at the rear, eight solar panels keep the electricity bills under control and solar hot water also saves. Four rainwater storage tanks, a catchment dam, twelve by nine metre storage shed, double carport and garden shed. With well established native gardens and abundant bird life on just over eight acres of native bushland your inspection is highly recommended. Property Code: 2993
