Surrounded by other high quality and well established properties; this outstanding property offers the best of country living. Comprising of just under 11 acres, the property boasts an impressive home which has been thoughtfully planned and is presented immaculately. High ceilings throughout make the home feel extra spacious, while Sheoak flooring adds to the quality on offer here. The master bedroom enjoys a walk through robe, and an equally large semi-ensuite. Two other bedrooms form part of the main house, while another is available off the double carport - complete with it's own shower and toilet. The kitchen and dining area has a lovely sunny aspect, and leads to outdoor entertaining space to the North of the home. Storage space is aplenty throughout the home, which also has ducted air-conditioning, solar power and a heat pump hot water system. Two good sized sheds - both with power, offer workshop and storage space, while a huge amount of water storage is also available via multiple water tanks. This is a rare opportunity to secure a sought after lifestyle property within a short distance to Denmark, please contact Andrew on 0409081075 for further details.
