An unforgettable blend of wide-reaching space, northern sunlight and resort-inspired excellence, this alluring 2 bedroom, 2 bathroom apartment offers an outstanding lifestyle in the heart of the city. Positioned to perfection on the 14th floor of the sought-after City Point complex, make your way downstairs and take an easy stroll to Southern Cross trains, free city trams, Marvel Stadium, world-class universities, laneway cafes, Spencer Street shopping and the SkyBus airport shuttle service. Embrace this exciting opportunity to live or invest in the CBD! Natural light sweeps across every inch of this radiant retreat. Spacious open-plan living and dining pivots a dual-sided kitchen boasting granite finishes and stainless-steel appliances plus a dishwasher. Slide open floor-to-ceiling glass and step outside to a north-facing sheltered balcony showcasing commanding views of the towering city skyline. The large and bright bedrooms enjoy the same striking aspect, serviced by mirrored built-in robes and a pair of sparkling bathrooms with full-height tiles. The master suite also boasts a sunlit study nook, an ideal solution for working from home. Freshly painted, comprehensive features include laundry capacity with a wall-mounted dryer, secure car parking, storage cage, panel heating and slimline Venetian blinds. City Point is graced with a light-filled foyer, video intercom entry, a 24/7 concierge and private use of an indoor heated pool, a well-equipped gym, BBQ terrace and a choice of two tennis courts. Act quickly as this one will be popular!* Photo identification will be required upon entering the property. Please contact our agent for your personal tour of this home today.
