What we love Those sublime WA sunsets and elevated ocean and coastline views from the two west-facing balconies. The flexibility of the floor plan, with each sumptuous bedroom serviced by its own bathroom - including two master-style suites with ensuites! 3 large living zones, a courtyard and reticulated gardens. We love the ultra-chic, open and airy build design that makes excellent use of the endless sunshine and the Freo doctor breezing through, and the extensive use of some of mother nature's finest ingredients, like stone surfaces and glossy Tasmanian Oak floorboards throughout. What to know To be sold via set date sale, meaning all written offers will be presented to the seller for consideration by Wednesday the 16th August at 7pm. It is at the sole discretion of the seller to sell the property beforehand without notice. Naturally well-lit and playing up to its ideal coastal aspect, the tri-level home delivers year-round comfort with ducted reverse cycle air-conditioning, boundless built-in/walk-in storage including garage storage, fabulous laundry storage, a drying courtyard and a large upstairs linen press. Security system, recessed ceilings with LED backlighting; Tassie oak flooring, stone surfaces throughout, stunning gourmet kitchen with Bosch appliances and a backlit display; a large entertaining balcony off the living and a lavish top-floor master suite with a balcony where you can enjoy VIP access to one of the world's most magnificent sunset displays! Buses heading in both directions just out on Scarborough Beach Road; half a dozen doors away from local cafes and a terrific shopping strip; an easy walk to Abbett Park, the beach and tons of things to do and see along the vibrant Scarborough Beach Esplanade.
